I'd like to say  
That I was on your mind  
So I phone you at ten past three  
In the afternoon

It's evening for you  
And another bare hotel room  
So hard to believe  
That you're dreaming of me too

But it's true

You only go around, 'round, 'round  
You only go around, 'round, 'round  
You only go around, 'round, 'round  
You only go around, 'round, 'round

And Amsterdam  
I never knew you so well  
The stadium rings with laughter  
At every turn

And flying piano's of all things  
To set your scene  
I'm such a nice man to you  
But so obscene

And it's true girl

You only go around, 'round, 'round  
You only go around, 'round, 'round  
You only go around, 'round, 'round  
You only go around, 'round, 'round

Jackie Big Tits  
Is hiding in the corner  
Respect is the word she shouts  
As I implore her

Speaks her mind not me  
For I was only speaking freely  
Interrupt me once more

I'll take you to the cleaners

You can't push me around, 'round, 'round

You can't push me around, 'round, 'round

You only go around, 'round, 'round

You only go around, 'round, 'round
