No more Mr. Nice Guy,  
I'm wishing you were leaving,  
You think that everybody wants you,  
Your nose is itching and you're so slow,  
To tell me everything about you,  
Yeah, but I already know you,

Don't believe in things that don't believe in you,  
believe in you,  
All the things that you do will come back on you,  
see them true,

You want to spend some time together,  
Suspended it like a feather,  
But you're acting like a nico,  
Playing with your ego,  
Always trying with the right crowd,  
Never alone turn it up loud,

Don't believe in things that don't believe in you,  
they'll be leaving you,  
All the things that you do will come back on you,  
so see them true,

No more Mr. Nice Guy

Don't believe in things that don't believe in you,  
believe in you,  
Everything that you do will come back on you,  
so see it true

No more Mr. Nice Guy
