[Chorus]

Life in the 90's
So good, so bad.
State of affairs

Life in the 90's
So good, so bad.
State of affairs

I remember when 1990 came in
We celebrated all night long
1991, South Africa's under the gun
They had to let Mandela go

[Chorus]

Brand new President
An historical event, back in 1992
Billboard Magazine says black music is the king
Teddy gave us New Jack Swing

[Chorus]

Sex is not the same
AIDS made us change the game
Back in 1994
In 1995 people almost lost their mind
Getting high on this thing crack

[Chorus]

1996, Olympic games are in the mix
Atlanta, Georgia put on the show
1997, Heaven only knows
Where this thing is gonna go

[Chorus]

1999 it's the sign of the times
And Revelation's told us so

[Chorus]
