Spinning 'round in your dance of life like a hurricane

'Round and 'round we search for love in a world gone insane.

Where's the joy
where's the laughter?
Have we all gone astray?
Hold on tight
don't give up
for love is on the way.

What we need is a peace maker

What we need is a hero for the world.
What we need is a peace maker.

This old world is calling out
man
woman
child

There must be someone

somewhere to show the beauty and the power of love.
Could be you
could be me
that someone from all nations

Come together
our world as one
for we are the hero generation.

What we need is a peace maker
What we need is a mighty mountain of love.
What we need is a peace maker.

Hearts will praise that precious beauty

when the time has finally come.
This song of love

these words of light will help lift you towards the sun.

We bring: Peace maker
peace maker
mighty mountain of love

Peace maker
peace maker
hero for the world.

What we need is a peace maker

What we need is a mighty mountain of love.
What we need is a peace maker - a mountain of love.
What we need is a peace maker - peace maker

What we need is a peace maker - peace maker

What we need is a peace maker - a mountain of love.
