Girl
The first time we met it took me by surprise.
Oh girl
You walked into my life with those street corner blues.
You were living in the fast lane
Much to my surprise
Baby.
But I fell for you anyway
I'm addicted to your love
Girl.
Hey
Stone love
Solid as a rock
I'm in love with you
Baby
Stone love
Oh
Solid as a rock.
Girl
Our love is so unique
It's one of a kind.
And girl
Whenever we kiss it's like a natural high.
But we're living in the fast lane
Red lights flashing
Baby
Will we ever change the way we are? Stone love
Girl.
Stone love
Solid as a rock
Stone love
Solid as a rock.
The life we live is a challenge
Always standing on the edge.
May not be the best way but that's all we know
'Cause I don't wanna live my life alone
No.
Oh
Stone love
Baby
I've got you
Yes

I've got you under my skin.
Stone love
Solid as a rock
That's the way we are
Baby
Stone love
Together
Forever
The woman in my arms.
Stone love
Solid as a rock
Oh baby.
May not be the best way but that's all we know
'Cause I don't wanna live my life alone
No.
La la la la la
Stone love
La la la
Stone love
Stone love
La la la la la
Stone love
La la la
Stone love
Stone love.
