People, get ready  
It's time to show what you got  
Players, take your place  
It's only one way to the top

You must feel the victory  
Release that energy and ride like the wind  
With fire in your eyes, shake those butterflies  
And do the best you can

Victory, victory  
Let the party begin  
Victory, victory  
Let's do it again

You are the best  
You seem to stand out from the rest  
Your intentions to be more  
Than a honorable mention

You must feel that victory  
Release that energy and ride like the wind  
Fire in your eyes shake those butterflies  
Go ahead and go for the win now

Victory, victory  
Let the party begin  
Victory, victory  
Everybody can win

'Cause it's the same way in life  
Same way in life  
Inside the tunnel see the light  
See the light  
The perfect balance you must find  
It's the same way in life

Victory, victory, victory  
Victory, sweet, oh, victory, sweet  
Victory, sweet, can you feel it?  
Victory, sweet, so sweet, so sweet

There's only one way to the top  
If you really want it, you can never stop  
Pushing for the victory, go ahead  
Players, take your places, go ahead  
Feel that victory, release that energy  
So sweet, to the top, go ahead, go ahead
