[Kool G Rap] Fo'-fo' calibre spit game, you know? KGR, Giacana, Queens runnin things you know? Know it!
[Verse 1] Any nigga crazy enough to take G for a joke I don't know about your flow but I'ma see that you float Cause I don't waste my time beefing with dopes, the heat smokes Only microphone niggas speaking to me on this rope Get some hood bitches to point out where you and your hoe live A crack head can even Mack 11 your whole crib Get twenty holes in your wig from eleven-year-old kids Only twenty-two when they come from eleven-year-old bids Find out ya racin to the 5-0 station Got a Jake on a payroll to give your location I'ma shove a machete inside your ass like Jason End up a fresh nig' buried in the basement That's how we movin, got killers from other coasts Give some pennies to wire whips with explosives We okay niggas to death at high doses Columbian necktie, nigga you closest [Hook] {X2} You know it's trouble when the Click come around here Shit that we totin, gotta get from the sound here Whoever want it on your script, gun 'em down Spin your whips, Hummers round with a swift hundred rounds, yeah [Verse 2] Give two of them things to a frame in armour Razor blade a nigga face like he came from Uganda Run in your shit aiming the llamas, while your dame in pyjamas Then you watch while niggas banging her posture All we want is them C-notes, that bundle of dope You can play hero and die, try to rumble with toasters Just be easy baby boy, it only take us a minute Got a bag of yay, some pussy and some cake to split it Cross right over your line nigga we take the scrimmage Keep the stones and the jewellery blue as the face on the grimace New York State menace with eight's by the appendix No lactose in it, get raw freight from the chemist [Hook] {X2} [Outro] {X2} Stop acting like you ain't know me, you know my name yo Stop acting like you don't notice the way my chain glow Stop acting like you ain't loving me in my mink coat Yeah, yeah, yeah, yeah
