featuring Ant Live, Freddie Foxxx, Large Professor

"Money in the bank, yeahhhh"

"Rocked and rolled, but then you rolled and rocked"

"Money in the bank, yeahhhh"

"Rocked and rolled, but then you rolled and rocked"

[Large Professor]

Listen

You get upset, when you hear the Large Professor  
on your girl's cassette, deck, expect  
nothin comin soft, cause I'll never throw weaker blows  
I'll kick you in your [ass] and your breath'll smell like  
sneaker soles

Now how's that for a fixin?

You'd better rather go to Roy's, cause I ain't kickin  
science fiction

I kick a size nine sneaker or boot

Chop chumps to stumps, and they remain mi-nute  
The Sheik, I get deep, and always leave with the wet  
meat

Because of my technique, I'm the one you let speak

I collect crops and props like spinach

I'm vintage, your single sums up to a ten inch

My soul brother Van Paul and Pete Rock

keep the funk flowin until the last beat stops

The soul man, can't have you leavin on a stretcher

Probably, have you leavin in leather, I catch a body

from wreckin slum rappers, but to be frank

I don't give a [fuck] I got money in the bank

"Money in the bank, yeahhhh"

"Rocked and rolled, but then you rolled and rocked"

"Money in the bank, yeahhhh"

"Rocked and rolled, but then you rolled and rocked"

"Money in the bank, yeahhhh"

"Rocked and rolled, but then you rolled and rocked"

[Freddie Foxxx]

This is the stage of triple-X

when you're sittin by your radio, screamin, "Freddie  
Foxxx goes next"

Those beholdin the words of a master

find mental disaster, as I kick it faster

Whoever opposes me, and what I feel

might find their legs bein replaced by steel

This is a brand new year, and the penalty is death  
so there won't be a lot of suckers left  
I grab the mic, and I load it like a long four-fifth  
huh, and dare you to riff  
or even sneeze as I blow you to your knees, have you  
curled up  
in a corner like a dog, with hoof in mouth disease  
Spittin razor blades, cuttin veins you can't stitch  
I got you screamin like a [bitch]  
I took your microphone, you can't get it back  
because your rap was wack  
I'm comin fifty strong in an armored tank  
and takin money to the bank  
"Money in the bank, yeahhhh"  
"Rocked and rolled, but then you rolled and rocked"  
"Money in the bank, yeahhhh"

"Rocked and rolled, but then you rolled and rocked"  
"Money in the bank, yeahhhh"  
"Rocked and rolled, but then you ro.. rolled.."

[Kool G. Rap]

Kool G. Rap for your first selection, get up on it  
To my opponents, let me just demonstrate for a minute  
Crooks gettin hooked, to my book, just like an addiction  
Stop your diction you drop, the science fiction  
Let's get specific you can't get with it  
I'm too terrific and scientific, forget it  
don't even try to limp it, you're not ready to make hits  
You still got a learner's permit  
Poppin that [shit], you better sit  
Here's a word, of a third degree burn, so listen and  
learn  
You're missin a turn, so you better get, concerned  
my challenger, check the calendar  
I'm as live as a .45 caliber, Colt  
with a silencer, wettin up, suckers I be settin up  
Button up, while I'm cuttin up, never lettin up  
I don't link up, with suckers with raps that shrank  
Thanks sonny, I'm takin money to the bank  
"Money in the bank, yeahhhh"  
"Rocked and rolled, but then you rolled and rocked"  
"Money in the bank, yeahhhh"  
"Rocked and rolled, but then you rolled and rocked"  
"Money in the bank, yeahhhh"  
"Rocked and rolled, but then you rolled and rocked"

[Ant Live]

One in the chamber, eight in the clip  
Pull out a razor, watch your rhyme book rip  
It's Ant Live, liver and deliveries get liver  
with G. Rap, and we're the sole survivors  
MC's wanna try me, but can't escape, my clutch

Too much, caught in the ropes, like double dutch  
You wanna run up, you better run up light  
Cause like a warehouse shippin out [pussy] tonight  
Believe me I ain't goin out like a brick parachute  
or a fruit, or a guy that wears Brut  
cologne, I'm violent prone, so leave me alone  
I'm about to set fire to the microphone  
and leave the mic so hot you need potholders for this  
Due to burnt wires it's cordless  
(Yo Ant Live make suckers walk off the plank)  
Not now, I'm takin money to the bank  
"Money in the bank, yeahhhh"  
"Money in the bank, yeahhhh"  
"Money in the bank, yeahhhh"  
"Money in the bank, yeahhhh"  
"Money in the bank, yeahhhh"  
"Money in the bank, yeahhhh"
