(Bitch)

Yeah

Y'all bitches check this shit out for the '95
My man comin atcha with this fat shit
Y'all bitches grab a hold of this shit
And hold this shit tight
Word up

Yo!m your typical nigga from the city
Most bitches hate me cause my attitude is shitty
I push up on em cause I see they lookin cute and shit
But then they gotta go and do some fuckin stupid shit
It don't suprise me though cause I always seen this in
em
I only like them bitches when I got my penis in em
But I don't like so-called sophisticated women
Frontin they got pussies that be big enough to swim in
Got a little 9 to 5 thinkin she's a winner
Knowin goddamn well her boss is stickin dick up in her
You press her for the sex and she front like she ain't
with it
And love to suck a muthafuckin dick, but won't admit it
She'll tell you she first started havin sex when she got
older
Then throw her legs on your shoulders like she took up
yoga
And some bitches be burnin, you niggas know the half
If you open up they pussy, you can see the movie
'Backdraft'
She's waitin for you to stick your dick up in her cherry
To put your fuckin ass inside the cemetary
They talk too much, that's why I never date em bitches
Believe me when I tell you that I hate them bitches
But I love em when they suckin on my dick and shit
I bust a nut inside they mouth and they keep lickin it
And when I'm fuckin I leave they clitoris in stitches
My name is Kool G Rap and I'm checkin all you bitches

(Bitch)

Yeah

This is for all you bitches out there in the world
Check it out

This is for you bitches from the other races
Used to be prejudiced, but now you smile in brothers'
faces
Your parents raised you on some stay-away-from-
niggers-shit
But now you fuck us cause you found out we got bigger
dicks
And I remember slavery days when they sold and
bought us
Now your little white daughters suck our dick for us
Spanish bitches wouldn't fuck nobody black and shit
Until we started gettin paid from off this rappin shit
Now they suckin on our dicks and callin us papi chulo
And teachin us Spanish ??? bitcha ??? culo
Puertorican men get mad when niggas fuck they
women
Can't stand the sight of seein a black dick goin up in
em
But I ain't with discrimination, that's that wack shit
I could care less if you was purple and fuckin a black
bitch
So if she lets your ass, go 'head and get some sex
from her
God gave her the pussy, she can sleep with whoever
the fuck she wanna
The first time I saw some niggas with some chinese
bitches
I asked myself a question: where the fuck they find
these bitches?
But then I had to learn that the money talks
And when your ass is broke, any honey walks
But fuck a hindu bitch, no, I won't be in a hurry
Because I know that bitch's pussy smells like fuckin
curry
From the one that brought you Road To The Riches
My name is Kool G Rap and I'm checkin all you bitches

(Break a bitch neck
Meanin break a woman's neck
Because she's a bitch?
It's sick, this is sick
It's gotta stop
It's psychics talkin shit)

(Rap - it sucks
It hate it
It's just - you know

Niggers talkin)
