[Kool Keith]

Yeah

When I dunk across  
When I show you the bowl  
When I show you the floor  
G-A-M-E, spells game

You know the bass is out, you ain't got game  
I'm droppin words on beats, they come in thick game  
The little flavor they use, they ain't got game  
Long face or not, you be in the big game  
Sweet on my feet, I float like Sugar Shane  
You never get up the hill, on the Hall of Fame  
E-40 my man, he did "Tha Hall of Game"  
Players rock the stage, while the ballers bang  
Pretty ladies they hang, while you droppin them thangs  
Non-stop rocka rocka rocka  
When I get up they spot me

[Chorus]

G-A-M-E, spells game (since it started, I've been in it)  
N-A-M-E, spells name (yeah that's me, don't forget it)  
F-A-M-E, spells fame (whatever it takes, I'ma get it)  
G-A-M-E, spells game (just pass me the rock, and watch  
me hit it)

[Kool Keith]

Peter Piper picked pickles, and Keith rocked rhymes  
Move around get away you need to get game  
In the pay game, give it up game  
Still I flip a brain, in a powerful lane  
Like a powerful train, you can't handle my pain  
I put a stain on your name, leave you out in the rain  
Let my photos remain, like the key yo  
stuck to a keychain  
Nothin but the net from the 3, chang-a-lang-a-lang-a-  
lang  
Bobba-la-bang-bang  
Shockin the ways, rockin them days  
Sparkin 'em pays, yo!  
Freeze, turn to 3's, on your knees  
As free throws turn to bees

[Chorus]

[Kool Keith]

Break down the basslines, girls check your hangtime  
Double dribble and fizzle, humble and fumble  
If you go out, let it all hang  
And sweat like a freebird on the 6th man  
Don't get jealous, stop messin with my good name  
I'm out here with sharp arts and a booty aim  
Watchin the hall of game  
The big show, got me insane  
Threes to burn leave you in flame  
Like chargin a freight train  
Little game, or big game  
Who's runnin the blitz game?  
Triple double game  
30 to 8 game, don't be late mayne

[Chorus]
