Remove your clothes
Take off your clothes (Strip!) [3x]

[Kool Keith]
Out the shower, we butt-naked
Cash and ass, we don't fake it
Measuring tape, by four she'd take it
Mouth is open, nuts you ate it
Player on the side, I know he hate it
Alligator shoes, I'm tailor made it
Fuck high-class, we move low-graded
Last night what, she masturbated
Hit the club, my last dance got rated
Switched girls, everytime we traded
Call girls, we always date it
Mascale, we always state it
No weave, we like it braided
Girl, you don't know me

[Hook - 2x]
Maxin' hoes
Rollin' Vogues
On limosine Cadillac's
Get in and get ya booty smacked

Come in cowboy like we western

Naughty girls you learn your lesson
Spanked, whipped, or Smith
