Hello, did Cathy come in today or what?
I'm startin' to not, to like, what's she's doin' at me
She's not on time, you know her hair ain't combed
She's not dressed properly

She's always wearin' jeans and this is a company
Where you wear dresses and you look neat and come
in
With your briefcase
And we're taking cutbacks, somebody gotta get
dropped

Capital investments by sequence automatic
mechanical problem secure
Space investor, Wall Street Journal analyst
The rates of companies by speed Paine-Webber
Merryl Lynch, no other than Solomon Brothers

Banking system with my computer wisdom
Immaculate suit, pinstriped, with my shirt and tie
Girls know I'm fly on the A-X-1 new floppy disk
"Hello? There's somebody out there to see you"

No, tell her to call me back
I'm busy with the President of the United States
Discussing more rates on a higher level
Don't give me feedback, I don't need that
Two trips to Costa Rica, I'll be a week back

Before you sign a new act, find out if they wack
Your budget will be low, and you'll be fired, highly
retired
I'm the new boss of this company girl
(I want you to fax yourself to China, okay? Do this now)

The girls don't like the job
Secretaries don't like my ways
I hire and fire, give you checks on the spot
I hire and fire, give you checks when it's hot

The girls don't like the job
Secretaries don't like my ways

I hire and fire, give you checks on the spot
I hire and fire, give you checks when it's hot

Down at 55 Water Street
Top official always seein' Chemical Bank, Wells Fargo
Bank of America with my fine secretary Erykah
Me and Al Sharpton was talkin' about real estate in
Compton

With a loan from General Mills
I would start a new NBA team Baldwin Hills
The Baldwin Hills Spacemen
Lime green uniforms with a orange basketball logo
[Unverified] the group solo, that's right, dolo

With the commissioner of the basketball
Passin' y'all in my ASR Rolls Royce
Y'all can't stop my voice and opinion
Here's a card and my phone extension

Not to mention I ripped up four tickets to the Grammy
awards
I had pasta with my new team and my roster
Agents beware, I'm talkin' to Shaq behind the Lakers
back
Michael Jordan I'm important, keep tapes recordin'

Buyin' baseball stadiums, talkin' to Joe Morgan
Cincinatti Reds, I'm over your heads
Call my limo Nancy, make it fancy, I'm in a rush
No time for coffee, ice cream from Mr. Softie

Tom Hanks calls the base of Keith in the UK
We sold a lot of Mercedes Benz's
And BMW's to the small starving communities
Even as an import, it's just a regular cab in foreign
countries

Materialistic for just the ignorant ones only the United
States
I'm goin' to lunch
I'll be right back
(The girls don't like the job)

Cutback on time
Employees research files, tryin' to find my styles
Sippin' on a glass of Sprite
Toni Braxton wanna sing, pride with me tonight

I gotta work late, the office
The kids, the dog

Puppies, groceries, hopin' these things
Get done by the end of the week

I been through the week
Did you book my airline flight assistant Terry?
You'll get no record deal actin' like Neneh Cherry
Back to work don't flirt

Give me them passes to the James Brown concert
Front row seats at least, please don't bother me I need
peace
Terry you been late a lot
I hate a lot of those same black pants you wearin'
dancin'
Take two days off, I'm goin' to the playoffs

The girls don't like the job
Secretaries don't like my ways
I hire and fire, give you checks on the spot
I hire and fire, give you checks when it's hot
The girls don't like the job
Secretaries don't like my ways
