The wild wild west (repeat 16x)
I used to live downtown 129th Street
Convent everything's upbeat
Parties ball in the park
Nothing but girls after dark
We chill nobody gets ill
In the place we call the hill
But if you try 'em
That's when they will
Get wild but they don't fight they kill
At the...
The wild wild west (repeat 4x)
I remember parties out in the park
With the girlies, rubbing up in the dark
I was smooth, until someone pulled a gun
It was over, they spoiled my fun
I was flying, just like a track star
Dying, nah, I ran through the back yard
Trying to get into my building
Thinking, "Why in the heck won't somebody kill them?"
One day the fellas got together
They vowed that no one would ever
Come on our block, and terrorize us
The gangs that used to do it, now they idolize us
Guns, we don't like to use them
Unless, our enemies choose them
We prefer to fight you on like a man
And beat you down with our hands and bodyslam you
at the...
The wild wild west (repeat 4x)
We don't start trouble, but boy do we end it
Our time, we like to spend it
Snapping, boy do we heat up
But we'll take time out to beat up
A sucker, if he wants static
Beatdown, yeah we got it
Good, and we'll accomidate you
Thanks to us, a lot of brothers hate to
Come back, to this very day
Cause losing's one thing we don't play
If you're ever in a fight and you're beating one of us
Break out, before you get bumrushed
