Iâ've been thinking about you  
Itâ's nothing but the truth  
Iâ've been thinking about you  
Itâ's nothing but the truth  
You ought to know  
These feelings inside  
Are keeping me alive  
I guess you should  
Â'Cause Iâ'm trying hard  
Oh, baby canâ't you see

Your sun is shining down on me  
Your sun is shining down on me

One Sunday morning you came to me  
And caught my eye  
One Sunday morning you came to me  
And caught my eye  
You ought to know  
These feelings inside  
Are keeping me alive  
I guess you should  
Â'Cause Iâ'm trying hard

Oh, baby canâ't you see

Your sun is shining down on me  
Your sun is shining down on me

Your sun is shining down on me  
Your sun is shining down on me (Shining for me)

Your sun is shining down  
Your sun is shining down  
Your sun is shining down  
Your sun is shining down on me

Your sun is shining down on me  
Your sun is shining down on me  
(Your sun is shining baby, itâ's shining for me)

Your sun is shining down on me

Your sun is shining down on me  
(Your sun is shining baby, it's shining for me)
