Mikael Sundin :

Let's elope today  
Or find a secret hideaway  
Somewhere's here to stay  
Leaves will fall on another day  
Another day

There's a place I know  
We can go where the cops won't show  
For this land we pray  
Leaves will fall on another day

Youth is gone now  
I hear you say  
But it doesn't matter anyway  
I'll cook the dinners  
If you bring the wine  
Youth has gone  
Never rich, still shy

Let's elope today  
Or find a secret hideaway  
Somewhere's here to stay  
Leaves will fall on another day

Youth has gone now  
I hear you say  
But it doesn't matter anyway  
I'll cook the dinners  
If you bring the wine  
Youth has gone now  
Never rich, still shy

Let's elope today
