Don't talk no more we on these hotlines)
Aight
(Imma handle that)
{DJ Paul (Crunchy Black)}
I'm loading up these Lugers
Thugs ready to ride
My boys ready to ride
These bitches ready to hide
I'm loading up my Lugers
Thugs ready to ride
My boys ready to ride
These bitches ready to hide
I'm down with these G's (the night before)
And they down to roll (the night begins)
My G's down to roll (what happen to others)
My G's outta control (what happen to my friends)
I'm down with these V's (the night before)

And they down to roll (the night begins)
My V's down to roll (what happen to others)
My V's outta control (what happen to my friends)
{DJ Paul}
There's nothing that you hoes can do
I been through much harder niggas
Drop fools
Like seafood off in water niggas
I been pulling triggers
Busting since the quest nigga
2 dope Cutlass driving put something in ya chest nigga
These boys think they in the clear
Just let a nigga speak something say something

(jump) sing something nigga
I got ten thousand dollars on your death nigga
Ain't no deal bitch I'm deeper offering wealth nigga
Any nigga that get this boy head
Call up Hypnotize office
And let me know this nigga dead
I don't care if you fedz I don't care if you police
You wanna make this green make this nigga rest in
peace
I ain't playing
