Little red house, potato field  
little forest, lake as far as you can see  
Woodshed, for my homebrewed beer  
perfect place for drunkards like me

Never gonna give up my rugged life  
never sell my infertile soil  
Never gonna give up this simple style  
let's drink and enjoy

Disappointment is who I live with,  
gret grief only mate from then,  
every morning pangs of remorse  
but it's so familiar like my old black horse

Never gonna give up my rugged life  
never sell my infertile soil  
Never gonna give up this simple style  
let's drink and enjoy
