Sweat and lies and alibis
Keep your mouth shut from flies
Just block your ears and close your eyes
And live through lows and highs

Cause that's just not me girl

That's just not me girl

Verse 2

Count to 10, repeat again
This time it should be over
You're in a weak position now
Cause I can admit it
You're trying to be just like

Me girl
I'm constantly thinking
Cause that's just not me girl
Constantly dreaming
That's just not me girl

Verse 3

Come together make excuses
And use them when I'm in doubt
A fix smile to show that everything is fine
I can see it in your eyes it's fucked

Love and tears they pollute my fears
And block you're clear and find
But I don't care if you don't care
Cause I'm your skankenstein

Chorus

That's just not me girl
I'm constantly thinking
... Those fake lies and folks advertising
It shows that you're not in
Cause that's just not me girl

I'm constantly thinking
Cause that's just not me girl
I'm constantly dreaming
Cause that's just not me girl
