I won't buy a word you sold me
I'm goin' places you never dreamed about
So tired of stupid stories
I'll write a song the world can sing aloud

We'll break the mold they gave us
We're goin' places they never dreamed about
Jump in and join the chorus
We're writing songs the world can shout out loud

Lend me your voice, sing it, oh, oh
Louder, I can't hear it, oh, oh
Lend me your voice, sing it, oh, oh
Louder, I can't hear it, oh, oh

I'm lookin' back on all those long days
When I was just a kid without a care
You asked what could I have to say
And I replied, "You're listenin' to it here"

Flashbacks are force of habit
When we were just some kids without a care
The living room we used to practice
The songs that you're listening to right here

Lend me your voice, sing it, oh, oh
Louder, I can't hear it, oh, oh
Lend me your voice, sing it, oh, oh
Louder, I can't hear it, oh, oh

My head's a mess it's waiting to unfold
My head's a mess I'm waiting to unfold
Would you listen to me?
Would you listen to me?

My head's a mess it's waiting to unfold
My head's a mess I'm waiting to unfold
Would you listen to me?
Would you listen to me?

Lend me your voice, sing it, oh, oh
Louder, I can't hear it, oh, oh

Lend me your voice, sing it, oh, oh
Louder, I can't hear it, oh, oh, oh, oh

Lend me your voice sing it, oh
