I will admit, I tend to be a little selfish  
But only when it comes to  
Something that I couldn't miss

The hardest part is trying  
To know what I really want  
(Woah, oh, oh, oh, woah, oh, oh)  
So I'll apologize ahead  
For dragging you along  
(Woah, oh, oh, oh, woah, oh, oh)

Hey, there's just no better way  
When there's nothing left to say  
That you take back all the mistakes  
I guess I finally found myself today

I know the feeling to be  
Caught up in the motion  
I often wonder if it's  
Instinct or addiction

I'm slowly learning how to fake  
I even have a clue  
(Woah, oh, oh, oh, woah, oh, oh)  
Because I'm supposed to be  
The very best at what I do  
(Woah, oh, oh, oh, woah, oh, oh)

Hey, there's just no better way  
When there's nothing left to say  
That you take back all the mistakes  
I guess I finally found myself today

I always feel that the cloud around me  
Is so free beneath my feet  
And I must fall through  
But I think I'm might meant to  
If that's what it would take  
For me to see

Hey, there's just no better way  
When there's nothing left to say

That you take back all the mistakes  
I guess I finally found myself today

Hey, there's just no better way  
When there's nothing left to say  
That you take back all the mistakes  
I guess I finally found myself today

I think I finally  
Found myself today
