Let go

I don't know  
I don't know  
How to save you  
Breathe into your lungs  
It's almost over now

Let go

Hold on tight  
Don't let go  
I could save you  
I could save you  
I can't save you anymore

I'll take it back and hold my breath  
(Hold my breath)  
I'm breaking my fist on the wall next to your door  
On bended knee I'll pray for you  
(Pray for you)  
On angels wings we'll find what we've been looking for

Let go

Moving fast  
Moving slow  
My head's spinning  
In slow motion  
Over desperate breaths of air

Hold on tight  
Don't let go  
I could save you  
I could save you  
I can't save you anymore

I'll take it back and hold my breath  
(Hold my breath)  
I'm breaking my fist on the wall next to your door  
On bended knee I'll pray for you  
(Pray for you)

On angels wings we'll find what we've been looking for

On angels wings

I'll take it back and hold my breath

(Hold my breath)

I'm breaking my fist on the wall next to your door

On bended knee I'll pray for you

(Pray for you)

On angels wings we'll find what we've been looking for
