Down on luck
I can hardly say I'm down on luck
I've monopolised your life too long
I know that certainly, something's gone wrong

Times are tough
I can hardly say that times are tough
But all around us friends are so confused
But you have so much to give, and nothing to lose

Don't look back
Walk away
Burn the past
Live today
People change
Who cares why
Don't grow old
Never die

Celebration
Being alive is cause for celebration
But I'm obliged to say I feel so sad
And I was the optimist, supposedly mad

I know you'll be alright
Don't you worry 'cos I'll know you'll be alright
And there's one thing you must believe: I love you
Here alone tonight, I really do

Don't look back
Walk away
Burn the past
Live today
People change
Who cares why
Don't grow old
Never die

Don't look back
Walk away
Burn the past

Live today
People change
Who cares why
Don't grow old
Never die

Don't look back
Walk away
Burn the past
Live today
People change
Who cares why
Don't grow old
Never die

Don't look back
Don't look back
Don't look back
