Honestly somehow it always seems that I'm dreaming  
of something I could never be  
It doesn't bother to me cause I will always be that pimp  
that I see in all of my fantasies  
I don't know your fucking name. So what? Let's...

Screwing may be, the only way that I can truly be free  
from my fucked up reality  
So I dream and stroke it harder cause it's so fun to see  
my face staring back at me  
I don't know your fucking name. So what? Let's fuck!

All day I dream about sex  
All day I dream about fuck'n'

All day I dream about fuck'n'

All day I dream about sex  
Yes...All day I dream about sex  
And...All day I dream about sex  
Yes...All day I dream about sex  
And...All day I dream about sex  
Yes...All day I dream about sex  
And...All day I dream about sex  
Yes...All day I dream about sex

All day I dream about sex  
All day I dream about fuck'n'  
All day I dream about sex  
All day I dream about fuck'n'
