I cannot ever find a way  
to throw these darkened thoughts away  
Need no place to hide  
It's thrown in my face everyday,  
'cause it's is the price I have to pay  
for what's inside my mind

I am alive

You gives'em to me everyday  
That's okay, that's how I like to play  
They're not first in line  
What's in my head I didn't say (save)  
It's something that I can't run away  
What's inside my mind

I am alive

I am alive  
I will never run away  
Places inside  
My heart screams inside with pride  
Once I cry  
Now I wipe away the tears  
Once I die  
Now I'm alive

Alive!
