Crack phone line
Leaves nothing, my brain fights in vain.
My breathing so shallow
It helps them cut the pain.
What's outside stays inside
How we can contaminate
This warzone of my soul
I underestimate

I never really thought about it that much,
It's only ever violence that's in my touch,
Appears, appears, appears
I am built this ways,
Appears, appears, appears
I am built this ways

The pills are quit working,
They take more than they give.
Emotions are flatline,
It's all that appears,
No rising no falling
My mind keeps tricking me
It throws me life raft
Then leads me out to sea.

I never really thought about it that much,
It's only ever violence that's in my touch,
Appears, appears, appears
I am built this ways,
Appears, appears, appears
I am built this ways

I never really thought about it that much,
It's only violence that's in my touch,
Appears, appears, appears
I am built this ways,
Appears, appears, appears
I am built this ways
