This place inside my mind, a place I like to hide,
You dont know the chances, what if I should die?
A place inside my brain, another kind of pain,
You dont know the chances, Im so blind, blind, blind.

Another place Ill find, to escape the pain inside,
You dont know the chances, what if I should die?
A place inside my brain, another kind of pain,
You dont know the chances, Im so blind, blind, blind.

Deeper and deeper and deeper as I journey to
Living a life that seems to be a lost reality
That I could never find a way to reach my inner self
Esteem is low, how deep can I go,
In the ground that I lay, if I dont find a way to
Sift through the gray that clouds my mind.
This time I look to see whats between the lines!

I can see, I can see Im going blind. (x12)

Im blind. (x4)
