I know what you're thinking,
I know what you're feeling,
I know everything in this world surrounds me,
I feel you're breathing,
I feel you're screaming,
I feel I can't go no where in this world without
leaving.

My mind plays tricks on me,
I can't control it you see,
I feel it beating down, the fake around me.
My mind plays tricks on me,
It's unbelievable you see,
I'm always testing your shit around me.

Let me tell you something.
This shit is beaming,
It won't leave me alone.
My diseases, unseen,
You think ya feel me?
You think ya know me?
'Cause I'm the hell in your head

My mind plays tricks on me,
I can't control it you see,
I feel it beating down, the fake around me.
My mind plays tricks on me,
it's unbelievable you see,
I'm always testing your shit around me.

Are you ready to live?
Are you ready to die?

All I do is give,
Am I wasting my time?

I am ready to live.
I am ready to die.
All I do is give,
Am I wasting my time? (Ah!)

Yes, I'm ready to live, (No!)

Yes, I'm ready to die, (No!)
All I do is give, (Ah!)
Am I wasting my time? (No, I'm not!)
Am I wasting my time? (No, I'm not!)
Am I wasting my time? (No, I'm not!)
Am I wasting my time? (No! I'm! Not!)

My mind plays tricks on me,
I can't keep control it you see,
I feel it beating down, the fake around me.
My mind plays tricks on me,
It's unbelievable you see,
I'm always testing your shit around me.

Are you ready to live?
Are you ready to die? (Yes!)
All I do is give,
Am I wasting my time?

Are you ready to live?
Are you ready to die?
All I do is give
Am I wasting my time?

All I do is give.
All I do is give.
All I do is give.
