Are you ready for a good pounding baby?
(Get down)
Are you ready to get it on?
(Get downÂ...Get down)
Don't pretend you're not fucking freaky baby
(Get down)
I will spank that ass just for fun
(Get down on the ground)

Ass up high
Make a motherfucker cry
It's so good that I could die
Help me stay alive

The time is right
I wanna feel it, youÂ're tiny
I'm down to do this all night
I'm gonna beat it upright

I'll behave
Oh my god
Make me beg
My god

Yes, I'm ready for a good flogging baby
(My god)
Come on beat my ass for fun
(Get downÂ...Get down)
(My god)
Don't let up till my ass is bleeding baby
(Get down)
(My god)
Don't let up until you are done
(Get down on the ground)

Ass up high
Make a motherfucker cry
It's so good that I could die
Help me stay alive

The time is right
I wanna feel it, youÂ're tiny

I'm down to do this all night
I'm gonna beat it upright

We're going on a ride
I'm gonna turn you inside and upside down
Travellin' back, and high
Yes it's true what they say about my kind

Are you ready for a good pounding baby?
(Get down)
Are you ready to get it on?
(Get down...Get down)
Don't pretend you're not fucking freaky baby
(Get down)
I will spank that ass just for fun
(Get down on the ground)

Ass up high
Make a motherfucker cry
It's so good that I could die
Help me stay alive

The time is right
I wanna feel it, you're tiny
I'm down to do this all night
I'm gonna beat it upright
