Are you ready?!

This place inside my mind  
A place I'd like to hide  
You don't know the chances  
What if I should die?!

A place inside my brain  
Another kind of pain  
You don't know the chances  
I'm so blind!  
Blind...  
Blind...

Another place I find  
To escape the pain inside  
You don't know the chances  
What if I should die?!

A place inside my brain  
Another kind of pain  
You don't know the chances  
I'm so blind!  
Blind...  
Blind...

Deeper, deeper, deeper inside, wanting to live a life  
that seems to be  
A lost reality, that I can never find  
A way to reach my inner self, I stand alone  
How deep can I go, in the ground that I lay?  
If I don't find a way to see through the gray that clouds  
my mind  
This time I look to see what's between the lines  
I can see, I can see, I'm going blind...  
I can see, I can see, I'm going blind...  
I can see, I can see, I'm going blind...  
I can see, I can see, I'm going blind...

I can see, I can see, I'm going blind  
I can see, I can see, I'm going blind  
I can see, I can see, I'm going blind

I can see, I can see, I'm going blind  
I can see, I can see, I'm going blind  
I can see, I can see, I'm going blind  
I can see, I can see, I'm going blind  
I can see, I can see, I'm going blind!

I'm blind...  
I'm blind...  
I'm blind...  
I'm blind!
