I am living without you  
You think everything will be fine  
I'm 5, making it hard to lie  
Realize nothing is left inside

I've got to break some fucking off!  
Going to lose my mind  
I've got to break some fucking off!  
I feel like feeling fine  
I've got to break some fucking off!  
No it won't be fine  
I've got to break some fucking off!

My knife is going to hurt you  
My fate is not going to wait this time  
I play games just to spite you  
I know you're going to bleed this time

I've got to break some fucking off!  
Going to lose my mind  
I've got to break some fucking off!  
I feel like feeling fine  
I've got to break some fucking off!  
No it won't be fine  
I've got to break some fucking off!

Feel me as I'm...  
Laughing...Leaving...Hating...Fucking...Hating all  
this bullshit...Raping  
I can't stand this...  
Fuck  
Fuck  
Fuck  
Fuck  
Fuck  
Fuck  
Fuck  
Fuck  
I can't stand this...  
Fuck

I've got to break some fucking off!

Going to lose my mind  
I've got to break some fucking off!  
I feel like feeling fine  
I've got to break some fucking off!  
No it won't be fine  
I've got to break some fucking off!  
Â...Off!  
Â...Off!  
Â...Off!  
Â...Off!
