You can see I fly
Disguised evil attracting everybody
You can watch me play
Taste your juices from me all day

You can see I tried this all for you
You can see I despise all of you
You can see I'm trying something new
You can see me fly

Sometime, somewhere
Deceit leads you no where
You try so hard to be the superstar

So come in with me
Take your under sun light set you free
Somewhere can't you see?
Going on this way free you'll never be

So you see I tried this all for you
So you see I despise all of you
So you see I'm trying something new
So you see me fly

Sometime, somewhere
Deceit leads you no where
You try so hard to be the superstar

Just take me away
Take me away
(Take me)
Take me away
(Take me)
Take me away
(Take me)

Take me away
(Take me)
Take me away
(Take me)
Take me away
(Take me)

Take me

Sometime, somewhere
Deceit leads you no where
You try so hard to be the superstar

Sometime, somewhere
Deceit leads you no where
You try so hard to be the superstar

Take me away
Take me away
Take me away
Take me away
Take me away
