"Chasing Me"

I'm thinking of
Thinking all the fucked people
Thinking all the shit I love
They are all the things I've made
Straight from my heart
Begging all the saint people
Burning is the same evil
Somehow making me feel sane
Waiting all this time
I've got nothing to hold on
But the phases of my life
I can see before I'm gone
Sometimes I feel it chasing me
All the hate that's breaking me
I realise I'm taking everything
And the shit seems to follow
This time I feel it taking me
To a place I'm hate to be
All along I seem to make believe
And the shit seems to follow
I'm thinking of
Making all the fucked people
Making the bitches I love
Make them die and go away
Pain from the start
All my dreams are ripped apart
Thinking all the fucked people
They are all the things I've saved
Waiting all this time
I've got nothing to hold on
But the faces of my life
I can see before I'm gone
Sometimes I feel it chasing me
All the hate that's breaking me
I realise I'm taking everything
And the shit seem to follow
This time I feel it taking me
To a place I'm meant to be
All along I seem to make believe
And the shit seems to follow
Your life, I hate it
Oh God, can I reclaim?

Stop and help me
Sometimes I feel it chasing me
All the hate that's breaking me
I realise I'm taking everything
And the shit seems to follow
This time I feel it taking me
To a place I'm meant to be
All along I seem to make believe
And the shit seems to follow
The shit seems to follow
