Keep holding on
When my brain's ticking like a bomb
Guess the black thoughts
Have come again to get me

Sweet bitter words
Unlike nothing I have heard
Sing along, mockingbird
You don't affect me

That's right
Deliver it to my heart
Please strike
Be deliberate

Wait, I'm coming undone
Unlaced, I'm coming undone
Too late, I'm coming undone
What looks so strong, so delicate

Wait, I'm starting to suffocate
And soon I anticipate
I'm coming undone
What looks so strong, so delicate

Choke, choke again
I find my demons were my friends
Getting me in the end
They're out to get me

Since I was young
I tasted sorrow on my tongue
And this sweet sugar gun
Does not protect me
That's right
Trigger between my eyes
Please strike
Make it quick now

Wait, I'm coming undone
Unlaced, I'm coming undone
Too late, I'm coming undone

What looks so strong, so delicate

Wait, I'm starting to suffocate
And soon I anticipate
I'm coming undone
What looks so strong, so delicate

I'm trying to hold it together
Head is lighter than a feather
Looks like I'm not getting better
Not getting better

Wait, I'm coming undone
Unlaced, I'm coming undone
Too late, I'm coming undone
What looks so strong, so delicate

Wait, I'm starting to suffocate
And soon I anticipate
I'm coming undone
What looks so strong, so delicate
