I came back to face what's growing in my head  
Please get away from me  
Take advantage of what I feel, yes you do  
One day you'll beg for me

So I'm saying nothing  
Each day taking that much more  
As I'm screaming all my pain  
You will be there counting

You just see me as something you throw around  
You were there for me  
Beating down to the ground yes it always seems  
You take more from me

So I'm saying nothing  
Each day taking that much more  
As I'm screaming all my pain  
You will be there counting  
It's funny how we've just started  
They get the money for the things on you  
They give you money, and the girls and the fame  
I only do it for the fun and the games

It's funny how we've just started  
They get the money for the things on you  
They give you money, and the girls and the fame  
I only do it for the fun, that's my game

So I'm saying nothing  
Each day taking that much more  
As I'm screaming all my pain  
You will be there counting

So I'm saying nothing  
Each day taking that much more  
As I'm screaming all this pain  
You will be there counting
