I'm not doing great  
I feel like I'm dead  
Not thinking straight  
Inside my body  
Troubled  
Full of hate  
I had to let it out, before it's too late

Deep inside  
It can't hide!  
Feeling so lost and betrayed  
Why does this happen to me every time?  
Stuck in this place, where I can't escape  
Screaming and clawing from deep inside

Why won't it fade?  
Outside I had to lie  
I'm ok  
I hope someday, I'll stop getting pain  
I guess this is the life, I have made

Deep inside  
It can't hide!  
Feeling so lost and betrayed  
Why does this happen to me every time?  
Stuck in this place, where I can't escape  
Screaming and clawing from deep inside

What am I doing?  
I can't believe this  
I have been hiding  
Wanting to be less  
Giving to people  
They take from me  
Always they're bringing drama to me

Look  
Look at me now  
Now!

Feeling so lost and betrayed  
Why does this happen to me every time?

Stuck in this place, where I can't escape  
Screaming and clawing from deep inside

I can't stand all of this fucking pain!  
Please god, just go away!  
Please god, just make them pay!
