Realized I can never win
SometimesÂ...Feel like I have failed
Inside where do I begin
My mind is laughing at me
Tell me, why am I to blame
Aren't we suppose to be the same
That's why, I will never tame
This thing that's burning in me

I am the one who chose my path
I am the one who couldn't last
I feel the life pulled from me
I feel the anger changing me

Sometimes I can never tell
If I've got something after me
That's why, I just beg and plead
For this curse to leave me
Tell me, why am I to blame
Aren't we suppose to be the same
That's why, I will never tame
This thing that's burning in me

I am the one who chose my path
I am the one who couldn't last
I feel the life pulled from me
I feel the anger changing me

Betrayed
I feel so enslaved
I really tried
I did my time
I did my time
I did my time
I did my time
I did my time

I am the one who chose my path
I am the one who couldn't last
I feel the life pulled from me
I feel the anger changing me

Oh god the anger's changing me
Oh god the anger's changing me
