Walk away when you're angry  
Brace yourself, there's nothing to gain  
Old enough to know the outcome  
More blood, it's always the same

Aren't we cool and aren't we calm  
For facing death we run head-on  
Aren't we cool and aren't we calm  
For god we've suffered for so long

Do what they say  
Or they take it away  
I'd rather be dead then carry on

(wait) Bite your lip, don't be cursing  
(we must) We musn't take God's name in vain  
(in vain) Blunt your knife, pull the curtain  
(impulse) Impulses you must refrain  
Aren't we cool and aren't we calm  
For facing death we run head-on  
Aren't we cool and aren't we calm  
For god we've suffered for so long

Do what they say  
Or they take it away  
I'd rather be dead then carry on

Somebody carry on with this burden  
I can't remember anything  
I can't be certain

Aren't we cool and aren't we calm  
For facing death we run head-on

Do what they say  
Or they take it away  
I'd rather be dead then carry on
