Life is boring
Sleep is boring
Don't stop running
I'm here counting

The lie...The wait...The pain...The hate
The lie...The wait...The pain...The hate
The lie...The wait...The pain...The hate
When we're gettin' fucked we make them do it up
themselves

So I walk but seem to crawl
For I'm giving in today
Now I run into a wall
Cause I cannot find my way

You've got to come with me
(I can not stand this place)
We're falling off the wall
(And I'll give in this way)
We had our chance to run
(And now I can't be blamed)
We're going all the way
(And now the drunks embrace)

My life...Worry...Life is scary
Give up beating
I'll start bleeding

The lie...The wait...The pain...The hate
The lie...The wait...The pain...The hate
The lie...The wait...The pain...The hate
When we're gettin' fucked we make them do it up
themselves

So I walk but seem to crawl
For I'm giving in today
Now I run into a wall
Cause I cannot find my way

You've got to come with me
(I can not stand this place)

We're falling off the wall
(And I'll give in this way)
We had our chance to run
(And now I can't be blamed)
We're going all the way
(And now the drunks embrace)

What really do I have to follow?
Nothing makes sense at all
Taking something for nothing
Watch me as I fall

I'm bringing me down
I'm bringing me down
I'm bringing me down
I'm bringing me down

You've got to come with me
(I can not stand this place)
We're falling off the wall
(And I'll give in this way)
We had our chance to run
(And now I can't be blamed)
We're going all the way
(And now the drunks embrace)
You've got to come with me
(I can not stand this place)
We're falling off the wall
(And I'll give in this way)
We had our chance to run
(And now I can't be blamed)
We're going all the way
(And now the drunks embrace)
