Hey Yeah...I'm feeling tired  
My time, is gone today  
You flirt with suicide  
Sometimes, that's ok  
Do what others say  
I'm here, standing hollow  
Falling away from me  
Falling away from me

Today...It's still fading  
That's when I'm enslaved  
I flirt with suicide  
Sometimes kill the pain  
I can always say, "It's gonna be better tomorrow"  
Falling away from me  
Falling away from me

Beating me down...  
Beating me...Beating me down...Down...  
Into the ground  
Screaming so sound...  
Beating me...Beating me down...Down...  
Into the ground

(Falling away from me)  
It's spinning round and round  
(Falling away from me)  
It's lost and can't be found  
(Falling away from me)  
It's spinning round and round  
(Falling away from me)  
Slow it down

Beating me down...  
Beating me...Beating me down...Down...  
Into the ground  
Screaming so sound...  
Beating me...Beating me down...Down...  
Into the ground

Fears in me  
They won't go away

So I pray  
Go away

Life's falling away from me  
It's falling away from me  
Life's falling away from me  
Fuck!

Beating me down...  
Beating me... Beating me down... Down...  
Into the ground  
Screaming so sound...  
Beating me... Beating me down... Down...  
Into the ground  
Beating me down...  
(Falling away from me)  
Beating me... Beating me down... Down...  
(Falling away from me)  
Into the ground  
(Falling away from me)  
Screaming so sound...  
Beating me... Beating me down... Down...  
(Falling away from me)  
Into the ground
