Something takes a part of me. Something lost and never seen. Everytime I start to believe, Something's raped and taken from me... from me.

Life's got to always be messing with me. (You wanna feel alive) Can't they chill and let me free? (so do I) Can't I take away all this pain? (You wanna feel alive) I try to every night, all in vain... in vain.

Sometimes I cannot take this place. Sometimes it's my life I can't taste. Sometimes I cannot feel my face. You'll never see me fall from grace.

Something takes a part of me. You and I were ment to be. A cheap fuck for me to lay. Something takes a part of me.

Felling like a freak on a leash. (You wanna feel alive) Feeling like I have no release. (So do I) How many times have I felt diseased? (You wanna feel alive) Nothing in my life is free... is free.

Sometimes I cannot take this place. Sometimes it's my life I can't taste. Sometimes I can't feel my face. You'll never see me fall from grace.

Something takes a part of me. You and I were ment to be. A cheap fuck for me to lay. Something takes a part of me.

Boom na da mmm dum na ema Da boom na da mmm dum na ema (x6)

Go!

So... fight! something on the... dum na ema

Fight... some things they fight So... something on the... dum na ema Fight... somethings the fight Fight... something of the... dum na ema No... Something they fight Fight... something of the... dum na ema Fight... somethings they fight

Sometimes I cannot take this place.Sometimes it's my
life I can't taste.Sometimes I can't feel my face.You'll
never see me fall from grace.

Something takes a part of me.You and I were ment to
be.A cheap fuck for me to lay.Something takes a part of
me.

Part of me.....(x4)
