Looking back at yourself (Go with it)
Is it turning you on? (Go with it)
IÂ'll be sitting right here (Go with it)
When the time is right (IÂ'll stick it)

Licking your own skin, so trippy
Squeezing your own ass, so pretty
Suck the ways, it's used for shitting
WhenÂ'd you finally come so pretty?

Bitch we have got a problem
It's not enough to be hitting it

Getting off
IÂ'm getting off
Keep getting off
Keep getting off
IÂ'm getting off
IÂ'm getting off to you
It's not enough
It's not enough
Slammed door can never be enough
IÂ'm getting off
IÂ'm getting off to you

Dip your hands right in (Go with it)
Come on itÂ's medicine (Go with it)
YouÂ'll be letting me in (Go with it)
Wondering where IÂ've been (IÂ'll stick it)

Licking your own skin, so trippy
Squeezing your own ass, so pretty
Suck the ways, it's used for shitting
WhenÂ'd you finally come so pretty?

Bitch we have got a problem
It's not enough to be hitting it

Getting off
IÂ'm getting off
Keep getting off
Keep getting off

IÂ'm getting off
IÂ'm getting off to you
It's not enough
It's not enough
Slammed door can never be enough
IÂ'm getting off
IÂ'm getting off to you

Hold my knees
Lick
YouÂ're trippy

Fuck
I'm coming
Fuck
IÂ'm coming on you
IÂ'm coming
Fuck
IÂ'm coming on you

Licking your own skin, so trippy
Squeezing your own ass, so pretty
Suck the ways, it's used for shitting
WhenÂ'd you finally come so pretty?

Bitch we have got a problem
It's not enough to be hitting it

Getting off
IÂ'm getting off
Keep getting off
Keep getting off
IÂ'm getting off
IÂ'm getting off to you
It's not enough
It's not enough
Slammed door can never be enough
IÂ'm getting off
IÂ'm getting off to you
