You came into my life without a single thing.
I gave in to your ways, which left me with nothing.
I've given in to smiles, I fell for all your games.
I wish so bad right now, I hadn't let you in.

Won't you get the fuck out of my face? Now!
Won't you get the fuck out of my face? Now!

In the sea of life, your just a minnow, live your life
insecure.
Feel the pain of your needles as they shit into my brain.

I scream without a sound, how could you take away
Everything that I was, made me a fuckin' slave.
Your face that I despise, your heart inside that's gray.
I came today to say, your fucked in every way.

Won't you get the fuck out of my face? Now!
Won't you get the fuck out of my face? Now!

In the sea of life, your just a minnow. Live your life
insecure.
Feel the pain of your needles as they shit into my brain.

You stole my life.
Without a sigh.
You suck me dry.

Won't you get the fuck out of my face? Now.
Won't you get the fuck out of my face? Now.
Won't you get the fuck out of my face? Now.
Won't you get the fuck out of my face?

Now!!!
Won't you get the fuck out of my face? Now!!!
Won't you get the fuck out of my face? Now!!!
Won't you get the fuck out of my face? Now!!!
Won't you get the fuck out of my face? Now!!!

In the sea of life, your just a minnow. Live your life
insecure.

Feel the pain of your needles as they shit into my brain.

You stole my life.

Without a sigh.

You suck me dry.
