You came into my life
Without a single thing
I gave into your ways
Which left me with nothing
I've given into smiles
I've dealt with all your games
I wish your buried now
I hadn't let you win

Would you get the fuck out of my face? Now!
Would you get the fuck out of my face? Now!

In this evil life, you're just a memory
Live your life insecure
Feel'n the pain of your needles
As they shit into my mind

I scream without a sound
How could you take away?
Everything that I was
Made me a fuck'n slave
Your face that I despise
Your heart inside that's gray
I came today to say
You're fucked in every way

Would you get the fuck out of my face? Now!
Would you get the fuck out of my face? Now!

In this evil life, you're just a memory
Live your life insecure
Feel'n the pain of your needles
As they shit into my mind

You've stolen my life
Without a sign
You sucked me dry

Would you get the fuck out of my face? Now!
Would you get the fuck out of my face? Now!
Would you get the fuck out of my face? Now!
Would you get the fuck out of my face? Now!

Would you get the fuck out of my face? Now!
Would you get the fuck out of my face? Now!
Would you get the fuck out of my face? Now!
Would you get the fuck out of my face? Now!

In this evil life, you're just a memory
Live your life insecure
Feel the pain of your needles
As they shit into my mind

You've stolen my life
Without a sign
You sucked me dry
