Hate...Something...Sometime...Someway...
Something kicked on the floor for me
Something inside
I'll never ever follow
So...Give...Me...Something...That...Is...For...
Real
I'll never ever follow

Get your boogie on
Get your boogie on

Hate...Something...Somewhere...Each day...
Feel'n' ripped off for gett'n' off
Why? This shit inside
Now everyone will follow
So...Give...Me...Nothing...Just...Feel
And now a sheep will follow

God thanks me...The more I see the lie...Didn't
want us to see
God told me...I've already got the life...Oh I say...
God thanks me...The more I see the lie...Didn't
want us to see
God told me...I've already got the life...Oh I say...

Each day I can feel it swallow
Inside something they took from me
I don't feel your deathly ways
Each day I feel so hollow
Inside always beating me
You will never see
So come dance with me
...Dance with me
...Dance with me
...Dance with me
...Dance with me
...Dance with me
...Dance with me
...My pain!

God thanks me...The more I see the lie...Didn't
want us to see

God told me...I've already got the life...Oh I say...
God thanks me...The more I see the lie...Didn't
want us to see
God told me...I've already got the life...
...Got the life
...Got the life
...Got the life
...Got the life
...Got the life
...Got the life
...Got the life
...Got the life
...Got...The...Life
