My life is such a waste  
Begging for something to work this time  
But why can I relate?  
Feeling all I do is get what's mine  
Holding on to faith  
Never gave me nothing but despair  
So why do I create just to be swallowed?

I can't take  
We have a start  
I can't take  
We've got a lot more to say  
Come what may  
We have a start  
I can't wait  
I'll take what's mine

Believing all this time... Before a crowd could say...  
Believing all the faces of everything that I could find  
Believing all this time... Too far to cross the line  
Believing all the faces of everything that I could find

I cannot take this place  
Burning up inside this space of mine  
So why can't I replace feelings I find hard to really find?  
I try but I can't taste  
Memories they always fuck with me  
So why do I create just to be swallowed?

I can't take  
We have a start  
I can't take  
We've got a lot more to say  
Come what may  
We have a start  
I can't wait  
I'll take what's mine

Believing all this time... Before a crowd could say...  
Believing all the faces of everything that I could find  
Believing all this time... Too far to cross the line  
Believing all the faces of everything that I could find

Â...Find  
Â...Find  
Â...Find  
Â...Find  
Â...Find  
Â...Find  
Â...Find

All my feelings have been eating all of me  
Feeling tired  
Is there something wrong with me?

I can't take  
We have a start  
I can't take  
We've got a lot more to say  
Come what may  
We have a start  
I can't wait  
I'll take what's mine

Believing all this timeÂ...Before a crowd could sayÂ...  
Believing all the faces of everything that I could find  
Believing all this timeÂ...Too far to cross the line  
Believing all the faces of everything that I could find  
Â...Find  
Â...Find  
Â...Find  
Â...Find  
Â...Find  
Â...Find  
Â...Find
