This time I'm taking it away  
I've got a problem with me getting in the way  
Not by your side  
So I take my face and bash it into a mirror  
I won't have to see the pain  
... Pain  
... Pain

This pain is elevating, as the hurt turns into hating  
Anticipating all the fucked up feelings again

The hurt inside, it's fading  
This shit's gone way too far  
All this time I've been waiting  
Oh... I cannot grieve anymore  
For what's inside awaking  
I'm done... I'm not a whore  
You've taken everything and... Oh... I cannot give  
anymore

My mind's done with  
It's ok  
I've got a question  
Can I throw it all away?  
... Take back what's mine  
So I take my time  
Driving my blade down the line  
Each cut closer to the vein  
... Vein  
... Vein

This pain is elevating, as the hurt turns into hating  
Anticipating all the fucked up feelings again

The hurt inside, it's fading  
This shit's gone way too far  
All this time I've been waiting  
Oh... I cannot grieve anymore  
For what's inside awaking  
I'm done... I'm not a whore  
You've taken everything and... Oh... I cannot give  
anymore

I'm here to stay  
(Bring it down)  
I'm here to stay  
(Bring it down)  
I'm here to stay  
(Bring it down)  
I'm here to stay  
Bring it down!  
Bring it down!  
Bring it down!  
Bring it down!  
Gonna break it down!  
Gonna break it down!  
Gonna break it down!  
Gonna break it down!  
Gonna break it down!  
Gonna break it down!  
Gonna break it down!  
Gonna break it... !

This pain is elevating, as the hurt turns into hating  
Anticipating all the fucked up feelings again

The hurt inside, it's fading  
This shit's gone way too far  
All this time I've been waiting  
Oh... I cannot grieve anymore  
For what's inside awaking  
I'm done... I'm not a whore  
You've taken everything and... Oh... I cannot give  
anymore  
... Give anymore  
... Give anymore  
... Give anymore  
... Give anymore
