Let me see  
(Let me see)  
All my life has beenÂ...  
(Taken)  
Taken  
This demonÂ...  
(Haunts me)  
Haunts me  
TheyÂ're waiting  
(Waiting)  
Help me

You fuck me up  
I'm gagged and bound  
You pick me up  
When I am down  
I cannot live without them  
I do not live without them

Hey daddyÂ...  
They are taking meÂ...  
(Away)  
Parting  
Facing heat  
(My soul)  
My soul  
TheyÂ're eating  
Please help me

You fuck me up  
I'm gagged and bound  
You pick me up  
When I am down  
I cannot live without them  
I do not live without them

They tell you this thing inside of me  
Wants to get out  
All it does is scream and shout  
I'm trying not to let them out  
They tell me to hurt myself  
They tell me to hurt myself

They tell me to hurt myself  
But haven't, not gonna listen

You fuck me up  
I'm gagged and bound  
You pick me up  
When I am down  
I cannot live without them  
I do not live without them  
You fuck me up  
(Hey daddy)  
I'm gagged and bound  
You pick me up  
(They are taking me...)  
When I am down  
I cannot live without them  
I do not live without them  
(This demon...)

(...Daddy)  
Hey daddy  
Hey daddy  
(We're waiting)  
Hey daddy  
(Waiting)  
...Daddy  
(...Daddy)
