Feeding the fallen
Can't help but desire all
Falling down this time
Deep in this hole
Am I making
I can't escape
Falling all this time

We come to this place
Falling through time
Living a hollow life
Always we're taking
Waiting for signs
Hollow life
(Â...Life)
(Â...Life)
(Â...Life)
(Â...Life)
(Â...Life)
(Â...Life)
(Â...Life)

Fearing to fall
And still the ground below me calls
Falling down this time
Ripping apart all these things I have tried to stop
Falling all this time

We come to this place
Falling through time
Living a hollow life
Always we're taking
Waiting for signs
Hollow life

Is there ever any wonder
Why we look to the sky
Search in space
Asking why?
All alone
Where is God?
Looking down

We don't know

We fall in space
We can't look down
Death may come
Peace I have found
What to say
Am I alive?
Am I asleep
Or have I died?
(Wanting free)
We fall in space
(Wanting free)
We can't look down
Death may come
Peace I have found
(Something takes a part of me)
What to say
(Something takes a part of me)
Am I alive?
Am I asleep
We fall down

We come to this place
Falling through time
Living a hollow life
Always we're taking
Waiting for signs
Hollow life

Is there ever any wonder
Why we look to the sky
Search in space
Asking why?
All alone
Where is God?
Looking down
We don't know

Is there ever any wonder
Why we look to the sky
Search in space
Asking why?
All alone
Where is God?
Looking down
We don't know

We fall in space
We can't look down
Death may come

Peace I have foundÂ...
