Maybe I'm insane
Walking on a wire
Maybe I'm the same
Nothing to take me higher
Tell me where to start
Think I'm at the end
Right now feeling pain
Make it go away

Maybe I'm to blame
Maybe I'm a liar
Maybe we're the same
Nothing can start the fire
I can't feel my heart
But I feel the shame
Nothing left to say
Soon I'll fade away

These places all I ever think about is lost in time
These faces haunting me
I'm looking back and they are mine

I'm hiding from the things they say
Doing time and lead astray
Thinking back to times of yesterday
I could fly

I'm trying to find a better way
But I'm trapped
Can't get away
All I think is about yesterday

I could fly

Maybe I'm insane
Walking on a wire
Maybe I'm the same
Nothing to take me higher
I can't feel my heart
But I feel the shame
Nothing left to say
Soon I'll fade away

These places all I ever think about is lost in time
These faces haunting me
I'm looking back and they are mine

I'm hiding from the things they say
Doing time and lead astray
Thinking back to times of yesterday
I could fly

I'm trying to find a better way
But I'm trapped
Can't get away
All I think is about yesterday
I could fly
