We are the pain  
We are the shame  
We've gone insane  
Inside where no ones around

I am to blame  
For everything  
I like this game  
That you all make me play

I'm done being there for others  
They have their pain and so do I  
Don't need to feel it all over  
I try to hold on and you bring me down

We are estranged  
We are deranged  
I can't explain  
How you all break me apart

I am to blame  
For everything  
I like this game  
That you all make me play

I'm done being there for others  
They have their pain and so do I  
Don't need to feel it all over  
I try to hold on and you bring me down

We wait  
We hate  
We try to get away  
Mistake my pain  
It has been lead astray  
I'm looking around  
I've dropped to the ground  
Why does this have to end this way

Feeling numb so long  
Oh God it's just everything  
It's everything

Now I pray for all of them to go away

I'm done being there for others

They have their pain and so do I

Don't need to feel it all over

I try to hold on and you bring me down
